

Product Warranty Statement

All Beele Engineering products are warranted free from material and manufacturing defect and are fit for purpose for which they are commonly supplied for 180 days, from the date of purchase from Beele Australasia Ltd or any of its authorized resellers in Australia and New Zealand.

Either product replacement or refund will be provided as remedy to the warranty.

The assumption of Beele products being “fit for purpose” will be undertaken by the user/installer and that the evaluation of the product and its purpose is clearly understood and suitable for the application where installed.

In consideration of the sale of these products and this warranty the seller shall not be responsible or liable for any consequential, or incidental loss.

Please note that where products are supplied for the purpose of business, the guarantees contained in the Consumers Guarantees Act do not apply.

The manufacturers installation manuals and videos are available on our websites:
